Wheel Rail Interaction 2020 Sponsor Opportunities

Railroader Attendance Up Again For 2020
The Wheel Rail Interaction Conference continues to attract record numbers of professional railroaders from major heavy haul and rail transit properties. The 2019 conference held last June was very well received by attendees, speakers, and sponsors, and continued the upswing in railroader attendance that started with the 2009 conference. This very encouraging trend can be credited to several factors: an incredible lineup of presenters, the quality of the technical content provided by these world-class railroading professionals, and the media support provided by *Trains* magazine. The popular Rail Transit Seminar, added in 2009, is now a permanent part of the Wheel Rail Seminars curriculum.

The ExpoZone: Expanded Marketing Opportunities
Now in its eleventh year, the ExpoZone offers marketers effective, up-close exposure at WRI 2020 seminars. As in 2019, all sponsorship levels for Rail Transit and Heavy Haul will include the Principles Course benefits package in the base price! The Principles Course has proven to be a very popular event, drawing attendees from both Rail Transit and Heavy Haul disciplines. Details on the program and sponsorship package pricing is attached. Please review and reserve your sponsorship early as space is limited and awarded on a “first-come” basis.

Location and Schedule
WRI 2020 is being held at the Hyatt Regency Vancouver and we have secured special discount pricing on rooms for the conference. Be sure to reserve your room early to receive this discounted rate. The **2020 conference will run Tuesday through Friday**. The Rail Transit Seminar starts things off on Tuesday, April 28; the Principles Course (designed for both Transit and Heavy Haul attendees) will be held on Wednesday, April 29; the 2-day Heavy Haul Seminar follows on Thursday, April 30 and Friday, May 1.

We look forward to working with you to make WRI 2020 a great experience for our attendees. Please review the attached sponsor information and contact us with questions.
## PRINCIPLES COURSE SPONSORSHIP BONUS

Your Rail Transit sponsorship now includes the matching level of benefits for the June 19th Principles Course - at no additional cost. That means you will receive FREE Principles Course Sponsor benefits at the same level as your Rail Transit Sponsorship.
